

part. The filed attestation expires at the end of the 12-month period of validity.

§ 655.540 Suspension or invalidation of filed attestations for locations in Alaska.

Suspension or invalidation of an attestation may result from enforcement action(s) under subpart G of this part (*i.e.*, investigation(s) conducted by the Administrator or cease and desist order(s) issued by the Administrator regarding the employer's misrepresentation in or failure to carry out its attestation); or from a discovery by ETA that it made an error in accepting the attestation because such attestation falls within one of the categories set forth in § 655.538(b).

(a) *Result of Wage and Hour Division action.* Upon the determination of a violation under subpart G of this part, the Administrator shall, pursuant to § 655.665(b), notify the Attorney General of the violation and of the Administrator's notice to ETA.

(b) *Result of ETA action.* If, after accepting an attestation for filing, ETA finds that the attestation is unacceptable because it falls within one of the categories set forth at § 655.538(b) and, as a result, ETA suspends or invalidates the attestation, ETA shall notify the Attorney General of such suspension or invalidation and shall return a copy of the attestation form to the employer, or the employer's agent or representative at a U.S. address. ETA shall notify the employer, in writing, of the reason(s) that the attestation is suspended or invalidated.

§ 655.541 Withdrawal of accepted attestations for locations in Alaska.

(a) An employer who has submitted an attestation which has been accepted for filing may withdraw such attestation at any time before the 12-month period of its validity terminates, unless the Administrator has found reasonable cause under subpart G to commence an investigation of the particular attestation. Such withdrawal may be advisable, for example, when the employer learns that the country in which the vessel is registered and of which nationals of such country hold a majority of the ownership interest in

the vessel has been removed from the non-reciprocity list (which means, for purposes of this section, *Prohibitions on longshore work by U.S. nationals; listing by country* at 22 CFR 89.1). In that event, an attestation would no longer be required under subpart F of this part, since upon being removed from the non-reciprocity list the performance of longshore work by alien crewmembers would be permitted under the reciprocity exception at sec. 258(e) of the Act (8 U.S.C. 1288(e)). Requests for withdrawals shall be in writing and shall be directed to the regional certifying officer.

(b) Withdrawal of an attestation shall not affect an employer's liability with respect to any failure to meet the conditions attested to which took place before the withdrawal, or for misrepresentations in an attestation. However, if an employer has not yet performed the longshore activities at the location(s) in question, the Administrator shall not find reasonable cause to investigate unless it is alleged, and there is reasonable cause to believe, that the employer has made misrepresentations in the attestation or documentation thereof, or that the employer has not in fact given the notice attested to.

PUBLIC ACCESS

§ 655.550 Public access.

(a) *Public examination at ETA.* ETA shall make available for public examination in Washington, DC, a list of employers which have filed attestations under this subpart, and for each such employer, a copy of the employer's attestation and accompanying documentation it has received.

(b) *Notice to public.* ETA periodically shall publish a list in the FEDERAL REGISTER identifying under this subpart employers which have submitted attestations; employers which have attestations on file; and employers which have submitted attestations which have been found unacceptable for filing.
